

BEST PRACTICE – 1

TITLE: ICT ENABLED SMART TEACHING AND DIGITAL LEARNING

OBJECTIVES:

- ❖ To enhance the teaching-learning process through ICT integration
- ❖ To develop digital competencies among student teachers
- ❖ To promote interactive and student-centered learning

THE CONTEXT:

In the present digital era, the integration of Information and Communication Technology (ICT) in education is essential. Teacher trainees must be equipped with digital skills to meet modern classroom demands. Therefore, the institution adopted ICT-enabled teaching practices.

THE PRACTICE:

- ❖ Use of smart classrooms with projectors and digital boards
- ❖ Teaching through PowerPoint presentations (PPTs)
- ❖ Use of digital content such as videos, e-books, and PDFs
- ❖ Integration of ICT tools in lesson planning and micro-teaching
- ❖ Access to online platforms such as YouTube and Google Classroom

EVIDENCE OF SUCCESS:

- ❖ Improved student engagement and participation
- ❖ Better understanding of concepts through visual learning
- ❖ Effective use of ICT during teaching practice in schools

BEST PRACTICE – 2

TITLE: COMMUNITY ENGAGEMENT AND SOCIAL RESPONSIBILITY PROGRAM

OBJECTIVES:

- ❖ To develop social responsibility among student teachers
- ❖ To promote awareness on social and environmental issues
- ❖ To provide experiential learning beyond the classroom

THE CONTEXT:

Teachers play a vital role in shaping society. It is important for student teachers to understand social issues and actively participate in community development activities.

THE PRACTICE:

- ❖ Organization of Swachhta Abhiyan (cleanliness drives)
- ❖ Conducting awareness rallies on education, health, and environment
- ❖ Visits to nearby villages and schools
- ❖ Participation in literacy and health awareness campaigns

EVIDENCE OF SUCCESS:

- ❖ Increased community participation and awareness
- ❖ Development of leadership and teamwork skills among students
- ❖ Positive feedback from the local community

BEST PRACTICE – 3

TITLE: SCHOOL INTERNSHIP, GREEN INITIATIVES AND MENTOR-MENTEE SYSTEM

OBJECTIVES:

- ❖ To provide real-life teaching experience to student teachers
- ❖ To promote environmental consciousness and sustainable practices
- ❖ To ensure personalized academic and emotional support through mentoring

THE CONTEXT:

Teacher education requires a balance between theory and practice. Along with teaching skills, environmental awareness and individual guidance are essential for holistic development.

THE PRACTICE:

SCHOOL INTERNSHIP:

- ❖ 16–20 weeks of teaching practice in schools
- ❖ Preparation and delivery of lesson plans
- ❖ Classroom management and use of teaching aids
- ❖ Continuous observation and feedback

GREEN INITIATIVES:

- ❖ Tree plantation drives
- ❖ Plastic-free campus campaigns
- ❖ Awareness programs on water and energy conservation

MENTOR-MENTEE SYSTEM:

- ❖ Each faculty member mentors 10–15 students
- ❖ Regular meetings for academic and personal guidance
- ❖ Monitoring student progress and providing support

EVIDENCE OF SUCCESS:

- ❖ Improved teaching competence and confidence among students
- ❖ Increased awareness about environmental sustainability
- ❖ Strengthened teacher-student relationships
- ❖ Better academic performance and emotional well-being
